

Supported by
Constellation Quality Health

Legacy of Charitable Impact

\$1,032,536

In grants and funding since 2021

\$502,480

To 15 nonprofits in the Carolinas in 2023

The CCME Foundation works to improve the health of individuals and communities. We provide charitable grants to nonprofit organizations to build upon or undertake new projects that improve access to health care and health-related services for our neighbors in the Carolinas.

Types of Programs We Fund

- ✦ Healthy lifestyle and quality of life programs
- ✦ Access to culturally and linguistically appropriate care
- ✦ Health-related educational information
- ✦ Consumer-centered care and decision-making
- ✦ Patient safety programs

Application Process

Grant applications are accepted April 1 through June 15. Grant awards are for a one-year period, beginning August 1 through July 31.
